

MEET MIRA

You hire an AI recruiter. You pay for results.

Mira is an AI recruiter that fills your calendar with interview-ready candidates. She sources, reaches out, qualifies, and books interviews around the clock, **at a fraction of the cost** of a full-time recruiter or a traditional headhunter.

24h To your first shortlist of candidates	5-10* Lower cost than traditional headhunting	3* Reply rate vs cold outreach
--	--	---------------------------------------

What you get

<p>Interviews, not resumes Qualified, interested candidates land on your calendar, not a list to chase.</p>	<p>No sourcing headcount Mira runs the brief, search, and outreach. Your team reviews finalists, not resumes.</p>	<p>Pay only for results Credits are spent only when a candidate replies or books, never for sourcing or sending. Start with a free pilot.</p>

**Start with a free pilot.
See your first shortlist in 24 hours.**

No long-term commitment. Credits are only consumed when candidates actively engage.

openjobs-ai.com

One platform. Hire your way.

From self-serve AI automation to expert-led headhunting and flexible staffing, every model runs on the same Mira multi-agent engine.

AI Recruiting Agent AI

Mira automates the full pipeline, with multi-channel personalized outreach and auto follow-up. Self-serve SaaS, ready out of the box.

Headhunting AI + HUMAN

AI shortlisting plus senior headhunters as a second check. Deep human assessment, outreach, and negotiation, for senior and hard-to-fill roles.

Forward Deployed Recruiter AI + HUMAN

A dedicated, AI-powered recruiter embedded in your team. Works alongside your hiring managers in real time, for high-volume or ongoing hiring.

Staffing & Contracting FLEXIBLE

Automated sourcing, skill matching, and contract management. Built for temporary and project-based hiring, with built-in compliance and risk controls.

What runs behind every hire

BRIEF AGENT

Understands the role

Turns a short conversation into a structured role profile, including unspoken preferences.

SEARCH AGENT

Finds the right people

AI search across an 860M+ profile talent graph, ranked by genuine openness to move and role fit.

OUTREACH AGENT

Engages and qualifies

Personalized, multi-round messaging with real-time interest signals.

MONITOR AGENT

Books the interview

Daily tracking, reprioritization, and automatic booking once a candidate confirms interest.

Why it costs less

A traditional hire can cost **\$250 to \$1,500** per qualified interview in fully loaded time. With Mira you pay a flat subscription plus optional per-hire fees, **5 to 10x less** than headhunting. You pay for outcomes, not hours.

Built by veterans of recruiting and large-scale AI.
