Self-serve AI automation, expert headhunting, embedded recruiters, or flexible staffing. Every mode runs on the same Mira multi-agent engine.

SELF-SERVE AI

AI Recruiting Agent

The Mira engine automates the full cycle, with multi-channel personalized outreach and follow-up. Self-serve SaaS, ready out of the box.

AI + HEADHUNTER

Headhunting

AI screening plus expert headhunters as a second layer of review. Human depth on assessment and negotiation, for senior and hard-to-fill roles.

AI + RECRUITER

Forward Deployed Recruiter

A dedicated, AI-powered recruiter (FDR) embedded in your team, working with hiring managers in real time. For high-volume or ongoing hiring.

FLEXIBLE

Staffing & Contracting

Automated sourcing, skill matching, and contract management for temp and project-based hiring. Compliance and risk controls built in.
